iv) Any other writ, order or direction as the petitioner be entitled in law.

v) Cost may be awarded in favour of the petitioner.

On 3rd July, 1996, the District Magistrate, Dehradun suspended the petitioner, who was working at that relevant time as Revenue Inspector for certain charges. On 21.08.1996, the Allahabad High Court has passed order that the respondents must take all steps and to conclude the inquiry against the petitioner and if the training starts in the meanwhile, learned counsel for the petitioner may move an application to this Court for an appropriate direction.

Since there is already an order of Allahabad High Court long back in the year 1996 to conclude the inquiry against the petitioner, it is expected that by the time, the inquiry has already been concluded and in case it is not concluded, the respondents are directed to conclude the inquiry within a period of three months from today.

With this direction, the writ petition is finally disposed of. All the pending applications stand disposed of.
